To: European Patent Office

Strand Program, Directorate Biotechnology (Dir 1212)

Ms. N. Vercio, Room S 02 N 06

Patentlaan 2, NL 2288 EE Rijswijk, The Netherland

Dear Ms. Vercio:

This is in Response to your letter of 03/12/2001.

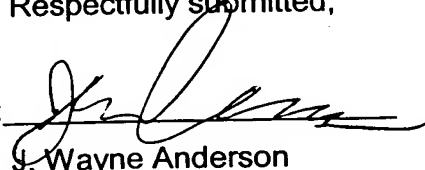

I J. Wayne Anderson of National Research Council of Canada am authorized by the Applicant to make this Statement.

The computer diskette accompanying this Statement contains a Sequence Listing in computer-readable form.

I hereby state that the content of the Sequence Listing in computer-readable form is the same as the content of the Sequence Listing submitted.

Respectfully submitted,

By:

J. Wayne Anderson
